We draw your attention to the fact that SCT (Sepa Credit transfer), multiple transfer and multiple collection orders can only be given electronically.
- Paper-based orders are those given on paper personally, via post or via fax. Paper-based payment transfer orders can be submitted via fax anytime (0-24) via post and personally during the opening hours of the Bank - normally Monday-Friday, 08h00-17h00 - except the payments with cut off time not later than 15h00. These payment orders can be submitted not later than two hours after the cut off times (final submission time).

The orders received after the cut-off time but before the final submission time - meaning within the cut off time + 2 hours - will be executed on the next banking day. Any payment order submitting for the execution on a given date but received after final submission time will be rejected.

Submitting a payment order for processing on a given day after the cut-off time is possible only on exceptional basis, in case of exceeding the cut-off time with a very limited period of time, based on a case-by-case agreement and against paying an extra fee, however the execution is not guaranteed even if all the above conditions are met. Should you request we fulfil your instructions after the cut-off time, please contact our Customer Service Desk. We draw your attention to the fact that the Bank cannot guarantee the processing of the order on that given day if the order was given to the bank after the cut off time.

Our bank accepts both standing orders and payment orders with a future execution date. The payment orders with future execution date can be submitted in paper-based form or electronically.
