- Costs for postage, stamps, cable, telephone, e-mail, courier and similar charges will be debited to our customers' accounts in addition to any of the charges mentioned above.
- All the costs and charges occurring in Hungary or abroad while our customers' instructions are carried out, as well as the commissions of our correspondents involved in operations, further the costs and charges not reimbursed by them will be charged by us to our customers.
- The fees as mentioned above apply only to transactions that can be handled in a routine fashion. Therefore, we reserve the right to raise an additional fee when an extraordinary amount of work is required and/or unusual circumstances arise. In line with international practice, our bank reserves the right to consider the execution of payment orders at its own competence.
- When the amount of any obligation is stated to be "about" or "circa", the confirmation (or acceptance) commission (as the case may be) shall be calculated on the amount indicated, with the plus tolerance considered.
- The bank carries out only such instructions that are complete and professionally correct but refuses to bear any responsibility for any delays, errors or misinterpretations arising from unclear transactions
- In case of account and client relationship closing after taking over the instruction the bank will calculate all the interests and commissions in connection with the account. After the financial settlement, on the third working day following the hand-over of the account closing instruction the remaining balance will be transferred – according to the client's instruction

Entry into Force / Conditional Termination

This List of Conditions enters into force as of April 1, 2024 being the effective date and replaces at the same time the previous List of Conditions. The bank reserves the right for the revocation or changing this List of Conditions without individual notification.

Pursuant to the relevant legal provisions the amendments are deemed as agreed and accepted by clients, if prior to the effective date of the List of Conditions, the client did not notify the bank that it rejects the amendments. Moreover, the Clients are entitled to terminate their bank account agreement free of charge or costs with immediate effect prior to the effective date of the List of Conditions. The rejection of the amendments shall be deemed as termination of the their bank account agreement with immediate effect.

DEFINITIONS

- **BANKING DAY:** the day when the bank is open for executing payment transactions. Currency holidays are not considered as banking days in regard of the transactions booked in the given currency. HUF, USD and EUR currency holidays are not considered as banking days in regard of other currencies either. Official information in connection with currency holidays can be reached on the Reuters website of the National Bank of Hungary. Appendix 3 of present List of Conditions contains the forecasted currency holidays for preliminary information purposes only, it cannot be considered as full or official information. Exclusively for Instant HUF payment service, every day of the year is considered as banking day
- **EEA STATES:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Greece, Netherlands, Ireland, Iceland, Poland, Latvia, Liechtenstein, Lithuania, Luxemburg, Hungary, Malta, Germany, Norway, Italy, Portugal, Romania, Spain, Sweden, Slovakia, Slovenia
- **CURRENCIES OF EEA STATES:** EUR, BGN, CZK, DKK, EEK, ISK, HRK, PLN, LVL, CHF, LTL, HUF, NOK, RON, SEK
- **PAYMENT OPERATION WITHIN THE EEA:** a payment transaction, where both the payer's and recipient's banks (or the bank, if there is only one bank involved in the operation) are providing their money circulation services in the EEA region

CURRENCY OF THE CURRENT ACCOUNT

The bank opens and keeps current accounts in the currencies below:

CAD, CHF, CNY, CZK, DKK, EUR, GBP, HUF, JPY, PLN, RON, RMB, SEK, USD

SUBMITTING AND EXECUTION OF PAYMENT ORDERS

Payment orders can be given to the bank primarily electronically and with the below restrictions on paper.

- **Electronic orders** in HUF and in foreign currency can be submitted to our bank anytime, via electronic banking systems supported by BNP Paribas or by BNP Paribas Fortis. Orders submitted via Swift and Swiftnet, are considered electronic orders. We draw your attention to the fact that multiple transfer and multiple collection orders and instant payment orders can only be given electronically. Electronic HUF and FCY payments can be submitted anytime (0-24).
- **Paper-based orders** are those given on paper personally or via post and subject to a specific agreement also via email with the requested level of e-signature. Paper-based orders can be submitted via post and personally during the opening hours of the Bank or subject to and upon a specific agreement via email anytime (0-24) considering the Cut Off Times detailed in Appendix 2. **The bank undertakes to process maximum 10 pieces of paper-based orders for a given day of processing.** The processing of any additional paper based payment orders will be subject to a separate agreement.
- Please send the payment orders in pdf format (with requested level e-signature) via email to hu.europe.pm@bnpparibas.com. (The orders can only be submitted via e-mail by having the referred specific agreement and correspondent authorization.) The email transfer orders submitted without prior specific agreement or addressed to a different email address will be rejected.
- Domestic HUF payment orders with the amount of HUF 10 billion or more can be initiated only as Viber payment.
- The **starting time of the Banking Day** is 8:00 while for services which require personal assistance the starting time is the opening time of the branch. The **cut off times** defined in Appendix 2 of the List of Conditions for the incoming and outgoing payments are **closing times** as well, except incoming EUR transactions (including incoming SEPA, non-SEPA credit transfers) and incoming cross-border HUF transactions without conversion for which the cut off time is 17:00 while the closing time is 18:00. The starting time for Instant HUF payment execution is every calendar day at 0:00 and its closing time is 24:00.

Our bank accepts orders for execution on a given day within the cut-off time. Payment orders received after the cut off times will be accepted for the execution earliest next banking day. Any payment order submitting for the execution on a given date but received after final submission time will be rejected.

Submitting a payment order for processing on a given day after the cut-off time is possible only on exceptional basis, in case of exceeding the cut-off time with a very limited period of time, based on a case-by-case agreement and against paying an extra fee. However, the execution is not guaranteed even if all the above conditions are met. Should you request we fulfil your instructions after the cut-off time, please contact our Customer Service Desk. We draw your attention to the fact that the Bank cannot guarantee the processing of the order on that given day if the order was given to the bank after the cut off time.

Our bank accepts both standing orders and payment orders with a future execution date. The payment orders with future execution date can be submitted in paper-based form or electronically. In case the requested execution date is a bank holiday, the order will be executed on the banking day following the requested execution date.

CONDITIONS OF PROCESSING OF ORDERS ON DAY D

- The order has been submitted to the Bank on day D before the cut-off time;
- The order has been duly approved and validated in accordance with the signature rights reported to the bank;
- The cover has been at disposal on the bank account to be debited the latest by the cut-off time;
- The order contains all the necessary details relevant for the fulfilment of order correctly as follows:
 - Name of beneficiary
 - Account number of beneficiary (in case of transfer within the EEA the IBAN format must be indicated)
 - Amount and currency to be transferred
 - SWIFT code of the beneficiary's bank (In case of transfers within the EEA, it is compulsory to indicate it)

We draw your attention to the fact that our Bank processes the payment order only if all the mandatory fields are filled in on the paper based or electronic order, and contains all the necessary details correctly in accordance with the rules and with the law.

The Bank charges the client's account with the expenses occurred due to missing or erroneously submitted details or costs related to the inquiring of missing information.

HANDLING OF UNFUNDED ORDERS

Paper-based or electronic domestic HUF, cross-border HUF and domestic and cross-border foreign currency transfers and the Sepa transfer orders without available cover on the client's account – in lack of a special agreement – are being automatically deleted, rejected on day D after 16h00 (in case of a value dated order on the given value date after 16h00). In case of multiple transfer orders, there is no partial settlement in absence of sufficient cover for the whole package the whole package will be deleted.

Uncovered HUF instant payment will be automatically rejected (there is no partial settlement).

In case of Sepa collection without fund, the unfunded items will be automatically deleted on day D at 06h00. The uncovered HUF instant payment will be rejected automatically (partial payment is not possible).

The Bank Client shall, by way of such, or by law, queue for a maximum period of thirty-five (35) days for the execution of orders for which the necessary collateral is not available in the Client's account at the time of the collateral investigation available.

A multiple collection order cannot be completed due to a lack of coverage, subject to a separate agreement, a maximum period of four (4) days from the debit day.

HANDLING OF HUF PAYMENTS WITH DECIMALS (FILLÉR)

According to the current clearing rules, HUF (forint) transfer orders can only be initiated in whole forint amount (without decimals i.e fillérs ('pennies')).

- In the case of HUF payment (normal, non-urgent) routed to Giro2 clearing containing filler amount (decimal), our bank cuts off the fillér and sends the amount without fillér to the clearing (Giro2). Afterwards, the amount of fillér will be credited on your account with original value date. Due to the correction of the data of the incorrectly submitted order your account will be debited with the repair fee specified in the current List of Conditions..
- HUF payment orders with fillér routed to Instant clearing will continue to be rejected according to our current practise.
- HUF urgent (RTGS) payment orders initiated via Viber with fillér amount (decimal) will be sent to Viber clearing without correction. The National Bank of Hungary accepts and corrects (by rounding) the amount before processing the payment with a repair fee charged. The charged repair fee will be passed on to the clients by the Bank.

In accordance with the clearing rules in force, we kindly ask you to always send your HUF transfer orders without filler (decimal), especially with regard to the extra cost of incorrectly submitted transfer orders.

AMENDMENT, DELETION AND CANCELLATION OF ORDERS SUBMITTED TO THE BANK

Our bank performs the amendment and cancellation of both the electronic and the paper-based transfer orders appropriately provisioned only in possession of a written amendment/cancellation request containing all the necessary details in an unambiguous way, duly signed in accordance with the signature card reported to the bank.

We draw your attention to the fact that our bank cannot guarantee the execution of amendment or cancellation orders even if the related request has been received in time and in accordance with the requirements. The bank debits the client's current account immediately with the expenses occurred relating to the amendment or cancellation of a transfer order. The recall of multiple transfer orders is possible until 17:00 pm one banking day before the debit day.

RECALL IN CASE OF OUTGOING HUF TRANSFER VIA IG2

It is possible to recall mistaken simple and multiple transfer orders initiated via Giro (IG2). Recalling transfer orders is possible within 30 days as of the processing date. In case the transfer order has not been executed yet (has not been credited to the bank account of the beneficiary) the amount of the payment (possibly decreased by the fee charged by the beneficiary's bank) is expected to be credited already on the day of processing but the latest 30 days after initiating the recall on the account of the client.

If the transfer order is already executed at the time of the recall (the amount of the transfer is credited to the account of the beneficiary) the amount of the transfer can only be transferred back to the sender's account only with the prior approval of the beneficiary to be obtained within maximum 30 days as of the day when the recall was initiated.

RECALL IN CASE OF OUTGOING HUF TRANSFER VIA GIROINSTANT

With the launch of the instant payment system, it is possible to recall a single HUF transfer order initiated wrongfully through the GiroInstant system. It is possible to recall a transfer within 13 months of the date of processing. The value of the transfer can only be transferred back to the payer's account, with the approval of the beneficiary, which is possible at most 30 days after the recall has been initiated.

BEN	All expenses in connection with the transfer - including the sender's bank's expenses - are borne by the beneficiary.	Not applicable	Applicable

Transfers to the United Kingdom can still only be initiated with SHA expense sharing mode.

FEES, COMMISSIONS

Charges and commissions incurred during a given month are debited on the first banking day of the month following the month in question, except for bankcard transactions, which are debited on the first working day of the second month following the month in question. *For the purpose of calculating fees, commissions, each started period is considered as a full period meaning that in case of monthly / yearly fees each month / year started is considered as a full month / year (e.g. monthly account maintenance fees, yearly bankcard fee).

Fees of domestic HUF transfers and the monthly account maintenance fee are charged in one amount per type of payment. If you need a detailed statement referring to the fees and commissions, please contact our Customer Service Desk or your relationship manager.

Fees, charges or commissions are charged in the currency of the account. As long as fees and commissions are not quoted in the currency of the given account, our Bank will calculate the conversion with the exchange rate of the National Bank valid at the time of the booking of the transaction in the bank's booking system.

The cash management fees set in percentage format shall be calculated and debited on HUF account as rounded for integer HUF amount at the end of the month in accordance with the Hungarian rounding rules.

STARTING TIME OF IMMEDIATE CREDITING TO THE PAYEE'S PAYMENT ACCOUNT

In the case of any transaction denominated in foreign currency, which does not require conversion or requires conversion between the currencies of an EEA State, other than HUF, denominated in the currency of another EEA State, our Bank considers the availability of the amount received on its own account statement as evidence that the amount of the payment has been credited to its own account.

APPLIED EXCHANGE RATES

The Bank – in the lack of an individual agreement - accepts transfer orders only in the currencies quoted by the Bank.

- **Outgoing and incoming payments with conversion (in the lack of individual agreement on quotation)**
The foreign currency exchange rates are determined by the Bank based on the current international foreign exchange market at the relevant time. The Bank shall apply the foreign currency exchange rate effective at the time of conversion (live rates). The applicable foreign currency exchange rates will vary depending on the amount to be converted. Within the above framework, changes in the foreign currency exchange rates shall be applicable immediately and without notice. Indicative foreign exchange rates are being published electronically, on a public website: [Live currency rates - BNP Paribas Hungary](#). The indicative / interactive exchange rate is also available on the Connexis Cash platform, when initiating an international transfer, by clicking on the "FX rate" field, and/or on other platforms – which BNP Paribas can publish at a later date – where we will give forecasts to our clients about indicative FX rates, however during a transaction the currently applicable, live rates will be used.
- **Outgoing and incoming payments with conversion (with individual agreement on quotation)**
As far as the amount of the payment order exceeds EUR 50,000 (or equivalent) direct quotation (individual rate) is available with our Treasury department.

We draw your attention to the fact that in case of an incoming payment in an EEA currency into an account of an EEA currency, it is not possible to quote individual rates.

- **Bankcard transactions**
The settlement of the Bank with the Card Organisations is made in forint (HUF) for domestic transactions, in euro (EUR) and/or US dollar (USD) for international transactions.

Transactions executed in foreign currencies will be debited in the currency of the Bank Card account on the day of the booking of transaction on the bank account. Transactions for HUF denominated Bank Cards will be settled at official selling Bankcard exchange rate of the settlement currency as published by the Bank and valid on the day of the transaction (Bankcard rate is available on www.bnpparibas.hu).
- **Fees, commissions**
If fees or commissions are not specified in the currency of the given account, the Bank will calculate the conversion using the exchange rate of the National Bank of Hungary valid at the time of the booking of the transaction in the Bank's booking system.

HUF INSTANT PAYMENT ORDER

The Instant Payment System (IPS) was introduced on March 2, 2020

Outgoing HUF orders submitted are automatically processed and must be processed as an instant payment order if the domestic HUF transfer meet the criteria for an instant one as defined in the Regulation of the National Bank of Hungary No. 35/2017.(XII.14.) or other existing legislation replacing it, as

- the order was submitted electronically
- order is submitted in HUF
- the amount of the order does not exceed 20 Million HUF
- currency of the account to be charged is HUF
- the value date of the order is same day
- the order was not submitted in batch* to our bank

The domestic HUF transfer order in accordance with the above conditions is carried out by our bank through the instant payment system, in accordance with the legal requirements, even if the order has been submitted differently.

The legislation, which came into force on 1 September 2020, allows the bank to forward the batch payments to the Instant Payment System. The payments submitted in batch, but individually booked are routed to the Instant Payment Clearing System by BNP Paribas, Hungary Branch.

Proxy ID

An instant transfer order may be submitted as provided for in the Regulation no. 35/2017. (XII.14.) by indicating a secondary account identifier (Proxy) instead of the name and cash signal of the beneficiary.

Registration, handling and deletion of proxy ID

- A proxy identifier can be recorded, queried or deleted by free text form with authorized signatory (original). The Bank reserves the right to request confirmation by telephone from the authorised person in the event of an above mentioned order.
- A mandate to record, delete and query a secondary identifier is received on bank working days between 8 AM and 3 PM, which will be forwarded to the "Central Database" operating organisation Giro Zrt. within one hour.
- More proxy identifiers can be assigned to a payment account, however, a specific proxy can only be assigned to one payment account.
- As a proxy identifier, you can enter a tax number, a tax ID, a mobile number, or e-mail address.
- The right to dispose of the proxy identifier as a unique identifier must be demonstrated in a credible manner as a prerequisite for registration.
- In addition, where personal data are provided, a written consent from the concerned individual is required, which also states that the data may be provided to Giro Zrt. as the organization operating the Central Database and the contracting payment service providers.
- The proxy ID shall be processed by the organization operating the Central Database within the frame of the provision of payment services, processing, settlement and execution of payment transactions and initiation requests with the aim of execution of payment orders and transmitting of requests to pay and can share these data for this purpose with those financial institutions and payment service providers, which participate in the processing, settlement and execution of the payment transactions.
- The Central Database Operator shall process personal data until the consent is withdrawn, or the regular annual data verification carried out by the payment service provider (annual renewal) is unsuccessful, or the proxy ID is deleted for any other reason.
- Proxy ID is valid for one year from receipt (24h00). Validity (if requested) must be renewed annually. We notify our customers of the expiring proxy ID in advance. If the data is not reconciled by 15h00 on the expiry date upon the notification, the validity of proxy ID will be lapsed and deleted from the Central Database.
- The customer is entitled to request the deletion of the proxy ID at any time, or if the payment account is terminated, the proxy ID will be also immediately deleted from the Central Database.
- For more information on the handling and processing of personal data by the bank, please visit the Data Protection Notice (<https://www.bnpparibas.hu/en/data-protection-notice/>) published on the Bank's official website.

Batch order: "a batch payment order for immediate transfer purposes is a batch payment order for any transfer order where more than one payment order is received simultaneously with the payer's payment service provider or the payer approves more than one payment order at the same time."

Proxy ID: a unique identifier given by the authorized person to the central database by means of the payment service provider responsible for the account holder's payment account, which is to evidently identify your account.

REQUEST TO PAY (RTP)

In accordance with the MNB Decree No.35/2017 (XII.14.), as of April 1, 2024, our Bank will provide its customers with the service of acceptance of the so-called Request To Pay (RTP) (payment request) and if accepted, the processing of such request as an instant HUF payment order.

The Request To Pay is a standard message sent by the beneficiary to the payer via its account keeping bank, providing all the necessary details to initiate the payment order.

Request To Pay contains the following information:

- Beneficiary's (sender's) name, account number and ID (optional)
- Payer's name and account number
- Request To Pay's ID (E2EID)
- Request To Pay's submission date, expected execution date and the validity of the Request To Pay. The validity of the Request to Pay shall be up to maximum two months from the date of submission.
- Request To Pay's amount and currency which can be only HUF
- Remittance information
- Other so-called Supplementary Data

Request To Pay can only be accepted to a HUF payment account, and requests received to an incorrect account will be automatically rejected by our Bank.

The amount and / or the remittance information of the Request To Pay may be modified by the Payer, if the Request to Pay message makes it possible.

The Payer may accept or reject the Request To Pay.

- If the Request To Pay is accepted, the instant payment order generated by RTP will be processed and executed. If the order cannot be executed due to a lack of funds, the Payer has the possibility to re-accept or reject the RTP.
If the Request To Pay is accepted, please ensure that the necessary funds are available to execute the order.
- In case of rejection of the Request To Pay, our Bank will notify the sender's (Beneficiary's) bank of the rejection.

The Payer may accept or reject the Request To Pay at any time during its validity period. Request To Pay not answered by the end of its validity period will be given an expired status and no further action will be taken.

The Payer may also generally in advance refuse the receipt (transmission) of any Request To Pay by signing the "Refusal to Receipt any Request To Pay" declaration form and registering it with our Bank. In this case, the Requests To Pay addressed to the relevant Payer will be automatically rejected by the Bank and will not be forwarded to the Payer in any form.

DEPOSIT GENERAL TERMS AND CONDITIONS

- Deposit rates and standardized deposit rate ratios are calculated as follows:

$$\frac{\textit{deposit} * \frac{\textit{interest rate}(\%)}{100} * \textit{number of deposit days}}{365}$$

- The deposit will be interested from the date of the credit to the date of termination (no longer calculated on the date of termination). Interest shall be settled on a monthly basis on the second bank day following the current month, unless otherwise agreed, except for fixed-term deposits, where this is due at maturity
- In the case of a termed deposit, in the event of early termination, the Bank shall not pay interest for the elapsed term.
- In case of HUF (forint) deposits the amount shall be calculated as rounded to integer HUF amount according to the general rounding rules in Hungary.

**INTEREST FOR DEFAULT**

In lack of specific agreement with the Client, the Bank charges the interest on the negative balance of any accounts as determined here-below. The default interest determined here shall be applied to any debt – showed as negative account balance - owed to the Bank, irrespective of that if it originates from bank account relationship or other legal relationship.

Currency	Reference interest	Margin
EUR	ESTR	+5,085%
GBP	SONIA	+5%
JPY	TONAR	+5%
USD	EFF	+5%
CHF	SARON	+6%
HUF	Base rate of the National Bank of Hungary	+6%
CAD	CORRA	+8%
CZK	PRIBOR	+8%
DKK	-DKKT/N	+8%
PLN	WIBOR	+8%
SEK	STIBOR	+8%
RON	ROBOR O/N	+8%
CNH	CNH HIBOR O/N	+8%

The annual rate of interest for default is the sum of the reference interest and margin for that currency.

The reference rate shall be updated every day.

As from 1 November 2020, with regard to default interests only, this Appendix replaces the List of Conditions for Loan Service. In all documentation where reference is made to the List of Conditions for Loan Service for default interest, it shall be understood as contained in this Appendix 5.
